Fuel Ethanol INDUSTRY DIRECTORY 2010

Register for your **FREE** listing online today!
www.ethanol-directory.com

Ethanol Producer Magazine is proud to present the 2010 Fuel Ethanol Industry Directory, the most comprehensive list of industry suppliers, producers, researchers and government agencies available in the world. The directory is an invaluable resource to help find the contact information you are looking for and help others find you.

The Fuel Ethanol Industry Directory is distributed throughout the fuel ethanol industry at workshops, conferences and trade shows. A complimentary copy will be sent to all current subscribers of Ethanol Producer Magazine. The directory will also be included free of charge to those purchasing the Ethanol Plant Development Handbook.

One FREE Listing

As part of our effort to ensure that the directory is as comprehensive as possible, we are offering one free listing to any organization involved in the ethanol industry. Each additional listing is \$40. In order to receive your free listing visit our website at www.ethanol-directory.com and register online.

Insertion Deadline: April 12, 2010
See Forms A-1 and A-2

logo + listing

Again this year, we are offering listings plus a logo. This is a great way to increase your organization's presence in the directory without having to largely increase the budget. A listing plus logo costs \$100 (Listings without a logo are \$40 each. Adding a logo to your one free listing is \$60).

Insertion Deadline: April 12, 2010
Artwork Deadline: April 12, 2010
See Forms A-1 and A-2

advertising specifications

artwork deadline: April 12, 2010

FORMAT FOR SUBMITTING ADS

Publication Size: 8.5" x 10.875"

Live Area: 8" x 10.375"

Paper Stock: 50-lb. gloss-coated guts, 80-lb. gloss-coated cover

Method of Printing: Web press, 150 lpi, process color

Type of Binding: Perfect Bind

Applications: Publication is created in Adobe InDesign. PC files.

Ad placement: Apart from Premium Ad Placements, vertical ads are placed along the outside of the page and horizontal ads are placed at the bottom of the page.

Applications: Publication is created in Adobe InDesign. PC files.

Proofs: We do not supply proofs

Storage of Advertisement: 24 months

ARTWORK SPECS

Color: CMYK/process colors only. NO SPOT COLORS. All spot colors must be converted to CMYK. Color quality is not guaranteed if spot colors are used. No built-in black type.

Fonts: Outline or embed all fonts in the PDF

File Format: High-Res PDF

Resolution: All advertising materials must be at least 300 dpi and submitted at 100% size.

PDF Files: Save with all fonts and images embedded. Save without color profiles. Once PDF is created, please check the bleed – see below for BLEED specifications. If submitted artwork does not meet specifications a new file will be requested.

display advertising

To more effectively display your products and services, you may want to consider a display advertisement. A full-color display advertisement is the best way to make your organization stand out within the directory. We also offer the option to purchase premium placement for your advertisement. See **Form B** for details on display advertisement prices, sizes and premium placement options.

Insertion Deadline: April 12, 2010

Artwork Deadline: April 12, 2010

See *Form B*

Bleed: Refer to SIZES for the different bleed-size ads. A 1/4" bleed is required for each side that bleeds. PLEASE CHECK THE LIVE AREA. Ads sizes that don't bleed will have a 1/2" border around the ad.

Live area: To prevent info being trimmed off, all text, logos, etc., must be at least 1/2" in from the edge of the ad.

Trapping: Save files without trapping preferences.

Color Profiles: Whenever possible - do not embed or include color profiles.
SUBMITTING ARTWORK

Media: Email or FTP site

FTP Site: Files maybe uploaded to our FTP site. Call 701-746-8385 for more information.
